

Advocates

Research and investigative skills are fully employed in:

- Logical argumentation
- Research, writing and analytical skills
- Disseminating ideas in a persuasive manner

Historians as Advocates find careers:

- ❖ **As Lawyers.**
- ❖ **In Litigation Support** as researchers.
- ❖ **As Public Policy Makers** who serve elected public officials as information brokers or are employed in the civil service.
- ❖ **In Legislative Staff Work.**
- ❖ **In Granting Agencies and Foundations.**
